Prescott, Arizona
Potter's House
Pastor Greg Mitchell
Corres: Alyssa Wohlwend

Hello from Prescott! We just wrapped up our annual winter conference, and it was a fantastic time of God meeting with people and challenging lives.

We were very excited to have guests from other nations be able to join us again. For some of them it was the first time back at a conference since COVID lockdown.

We are super grateful to be a part of this work of God and seeing the impact to the nations. This conference we had seven international announcements. One of those was into Juba, South Sudan, which is a new nation in which we do not already have a Fellowship church.

There were also two brand new works into India in response to a call given by Pastor Campbell during the conference. For us personally as a church, we are excited to see our very own Chris and Vicki Wendt from our congregation going to Kolkata, India to pioneer a new church.

In addition to international announcements, there were also 10 brand new churches in the United States. We are so excited to see God move in these new works.

We have been continuing to labor in our local outreach, evangelism and neighborhood Bible Studies, along with having the opportunity to send impact teams and bands out to our churches in the surrounding area.

Recently we were able to send an impact team to 29 Palms, CA to Pastor Jake Snyder in preparation for an upcoming revival he was going to be having with Pastor Jesse Morales. Throughout the day of this impact team we saw many souls give their lives to Christ and one person filled with the Holy Ghost! It was a tremendous time, and we are grateful to take the Gospel outside our four walls and see God move.

We've been seeing our weekly outreaches and One80 concert ministry picking up momentum and making an impact into our local community.

Something is beginning to shift supernaturally on our outreaches and you can see it when we are out evangelizing. As we begin to talk with people and tell them about Jesus, there has been a fresh openness in our community towards the Gospel.

Following the tremendous conference we just had, we were inspired by a testimony shared by Pastor Seregi Golubev during the conference. In his testimony he shared the powerful move of God they have been seeing in their weekly concert ministry, and he said that when they contended and pressed in for fruit and for visitors something supernatural happened. There was no change in program, music or advertising, but instead God began to pour out upon their concert ministry and draw visitors to their concerts.

This testimony greatly inspired us to begin to contend to see a move of God in our own concert ministries. We hold our One80 concert every Saturday night as a tool to reach sinners and raise up disciples, but our heart's desire is for this ministry to be fruitful and see conversions accredited to this ministry.

We have begun taking a stance of dominion and contending for the supernatural in our concert ministry, and we are meeting weekly for outreach and prayer to focus on this. Through this we have seen many contacts made and decisions for Christ.

Along with that we have been seeing God move in the supernatu-

Chris & Vicki Wendt announced into Kolkata, India during January conference

ral in miracles and healing during our normal outreaches and concerts.

In our weekly Saturday morning outreach we ran into a lady in a wheelchair who had pain in her legs. One of the ladies in our congregation was inspired to pray for her and after prayer the pain left her body!

Separately, following our concert ministry there was a family that answered the altar call to give their lives to Christ, and they mentioned how they had recently been involved in a car accident and were still having pain from that. One girl had pain in her face, and she allowed us to pray for her, and the pain left!

Her mother also had pain in her back from the car accident, and when we sat her down in a chair her leg was short by an inch! We prayed for her and her leg completely grew out, and the pain was gone!

There has been such a refreshing spirit of God moving in our midst, and we are excited for all God is going to continue to do and we press in and contend for the supernatural touch of God.

We are so grateful for God being faithful to move on our behalf as we press in and contend for a supernatural move of God in our city and in the nations.

Please continue to pray for us as we pray for you!

United States

Athens, Georgia
Victory Chapel
Pastor Gene LaValley
Corres: Sydney Lowe

“In those days John the Baptist came to the Judean wilderness and began preaching. His message was, “Repent of your sins and turn to God, for the Kingdom of Heaven is near” (Matthew 3:1-2 (NLT)).

In these last days, we’ve continued to preach this same message right in the heart of Athens, Georgia. With a football stadium that can seat more than 92,000 people, we’ve street preached to thousands at University of Georgia home games. Throughout the football season many souls have responded to the Good News.

In July, God opened a door for us to purchase the three acre tract alongside our building. We’ve been praying for that land specifically for more than 10 years. God moved supernaturally, giving us favor with the land owner and helping us purchase it in full within three months of it becoming available. We hope to use the additional land to expand our building.

We had a tremendous revival with Pastor Billy Jones in October. Leading up to the revival services, the church outreached throughout the city and invited guests to our Family Fun Day.

The fall festival included horses, ponies, and food, drawing in many young families and over 300 visitors. We were also blessed to hear preaching from Sho Kishimoto, Tony Chase, Kevin Baker, James Rosario, Rocky Colona, Andy Anderson, Carl Cooper, Alvin Smith, Benji Mettle, and Patrick Jordan.

In November, we sent two couples out of the Tucson Bible Conference, planting churches in Winder and

Game day outreach in Athens, Georgia

Commerce, Georgia.

Despite the setbacks from COVID-19 regulations, our international works experienced breakthrough. Our church in Malabo, Equatorial Guinea recently celebrated its one year anniversary and has had over 100 visitors in attendance.

God also opened a door for our church in Joinville, Brazil to move into a new building that better facilitates evangelism in the area.

We are excited to continue taking the state of Georgia and the world for Jesus!

Continue to pray for us as we faithfully labor in the harvest field.

Bakersfield, California
Potter’s House
Pastor Felipe Perez
Corres: Felipe Perez, Jr.

Evangelist Raul del Cid ministers in Bakersfield

is moving in our city as the church enters its fifth year.

In 2022, we did our first revival and healing crusade with Evangelist Raul Del Cid from Phoenix, AZ.

During this revival we saw two people get their hearing back, and four others healed on the moment.

We have the privilege to do our own dramas and concerts with live music on stage. During our concert 40 people attended and people who had left the church came back to the concert and revival. We are getting ready for a park concert.

Greetings from the beautiful city of Bakersfield, CA. God

We're doing outreaches every Saturday and street preaching. Our church now has stable people, families and couples who are serving the Lord.

Bakersfield is ready for revival. Pray for us as we fight the good fight for Jesus and win souls.

Thank you Pastor Marsh and Pastor Greg Mitchell and all of our leaders for your exampleship.

Boston, Massachusetts
Potter's House
Pastor John Foley

Greetings from the Malden and the Greater Boston Area. God has been moving in a powerful way.

Pastor Deon Howard brought a powerful outreach revival that saw over 70 decisions for Jesus and chal-

JW Ballinger revival in Boston

lenged the church for follow-up after evangelism.

We saw a marked difference in people making it to church from the outreaches. Even in the cold people are responding to Jesus and coming out to church.

Christmas presented a couple of powerful opportunities for Jesus with dramas and special services that connected with visitors and brought out friends and family, and to see some of these answering altar calls for salvation.

Recently we finished a powerful revival with JW Ballinger with many visitors and words given.

This past service we had our Discipleship night where three of the newest disciples each took turns preaching while others stepped into roles of ushering, leading worship and playing instrument.

God is building His church. Please pray for us as we pray for you.

El Centro, California
Potter's House
Pastor Timothy Jones
Corres: Ricardo Cortez

Greetings all the way from El Centro, CA. We are excited for all that God is doing in this area.

We have been laboring in our city and the surrounding areas, seeing the hand of God move in our favor. We

At the end of January we had a concert with churches from the Imperial Valley and Blythe coming to help and saw seven souls saved with three healings!

We finished that off with revival with Evangelist Carl Cooper bringing great timely messages with great breakthrough in our church. GOD is on the move in El Centro. Keep praying for us as we pray for you. God bless.

Revivals in El Centro have seen souls saved and several healed

Fresno, California
The Door
Pastor Joe Sanchez
Corres: Mario Chacon

Hello from Fresno, CA. God is faithful and has been doing amazing things in the Central Valley.

We are excited to announce that our pastor has gone full time. Our pastor along with his family are greatly appreciated and we thank God for them. They are a wonderful example and care for every one of us. Their desire to reach the lost is encouraging. We know that God will continue to bless them because of their faithfulness. We give God all the glory for this answered prayer.

Last December a few of the teens from Ground Zero participated in a Christmas Puppet Skit. What an amazing skit it was. It was filled with great laughs, songs, and stunts but most importantly it was filled with the

hope that only Jesus Christ can bring us. It's a blessing seeing these young lives doing the great work of God.

In January we had revival with Pastor Tim Pena. He came and ministered a word in due season. In March we will be having revival with Evangelist Roderick Gonzalez. We are looking forward to this revival and anticipate the powerful words which will be delivered.

Since our move into our new building last June, we have noticed a steady flow of visitors. Many have visited because they received a flyer, attended an event, or simply saw the signs outside the building. Whatever the reason we know that it's God's divine hand at work.

Our Bible Studies have come to an end (they will resume later in the fall), and we are looking forward to the warmer weather. We are eager to resume our Friday night concerts and street meetings.

Once again, we would like to take the opportunity to thank all those who labor in our city and thank our mother church in San Antonio, TX for their prayers.

Please continue to pray for us as we pray for you. God Bless!

Pastor Joe Campbell

Corres: George D. Rose, Sr.

As our Fellowship grows and we find ourselves positioned for a great end times revival, the Chandler church continues to march on in pursuit of the Great Commission. We have set our faces to the harvest field of souls wherever they may be.

We hosted our International Bible Conference in our own building in September. We were able to rent a vacant church building to hold our children's church, freeing up space for a full-capacity crowd of more than 1,200 believers.

Responding to the call, we were able to launch nine international works and five new churches in the

United States.

We were excited to hear that the number of fellowship churches now number more than 3,000!

As we continue to reach out in our local area, we celebrated Native American Day in October. We were blessed to have the Navajo Nation Choir from Chinle and a revival with Pastor Artie Aragon. His timely ministry reached the hearts and lives of a multitude of visitors with many coming to Christ.

We were also able to reach our local community with our annual Trunk or Treat event. More than

Game day outreach in Athens, Georgia

only God can save and that our focus was to bring people to a decision for Christ. At the end of the revival, more than 144 souls came to Christ! We will be laboring on "bringing in the sheaves" for some time to come.

Evangelist Patrick Johnson came to help us celebrate Black History Month. We immediately put him to

Philip and Sarah Kast announced into St. Charles, Missouri

1,000 people came throughout the night and got to hear music and testimony that pointed to Christ. Folks found more than they expected with many souls responding to the call for salvation.

Pastor Deon Howard did a "working" revival where he brought the "Walmart Blitz." We met nightly for a brief message before going out into the community in small groups at major stores armed with the Gospel. He reminded us that

work preaching in our valley-wide Youth Rally where a number of young people were saved and filled with the Holy Ghost. He then ministered with his special brand of music in our 180-concert scene with seven souls saved that night.

Following the concert scene, he preached a Holy Ghost-inspired revival and challenged us to let God write the final chapters of our lives and to stay in the will of God. We were blessed to have souls respond

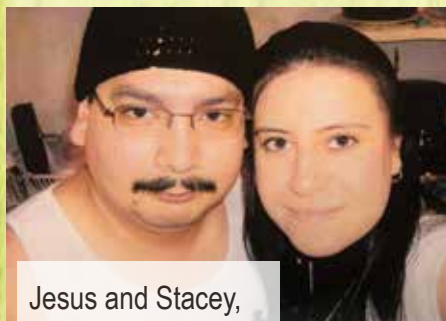

each night as well as witness several notable miracles of healing and deliverance.

The Chandler church looks forward to the year before us with great expectation for all that God is going to do. Pray for us as we do you.

**Fayetteville, Arkansas
Potter's House
Pastor Adam Raison**

Greetings from Fayetteville, Arkansas, a land flowing with milk and honey and where every soul is worth fighting for.

We have been truly blessed by all that our Lord and Savior Jesus Christ has been doing here. Though the effects of COVID linger and have affected some in our church, the Lord's work has carried on.

Jesus and Stacey,
before and after, set
free by Jesus Christ

Last year in August we had our first carnival in the park. Partnering with us was Pastor Matias of Rogers Arkansas, Pastor Lamont of Pasadena, Texas as well as members of their churches and of course faithful families from the local body. There were thousands in the park which we were not expecting but we had a great time.

Twenty-two souls responded in prayer and we went into revival after

that with Evangelist Frankie Chi. It was such a blessed time.

Immediately after that great time, COVID hit over 80 percent of the church. It was not a great time especially as their pastor wondering if I did the right thing of having an event like that in a somewhat dangerous time.

In that, fear gripped the hearts of some members who have not yet since that day returned. In that loss we saw new additions rise up out of the ashes of fear and fall in to the ranks.

One family in particular, Jesus and Stacey Zuniga, hit the ground running. They got saved during the revival and then were baptized. Jesus Zuniga shared a powerful testimony of his bondage to substance addiction and how it nearly destroyed his life and family, before God delivered him. God is truly doing a wonderful work in their lives as He has slowly started the healing process for this precious family.

A brightness like never seen before, Jesus and Stacey and now their sons Jamie and Josh and his girlfriend Esmeralda have started this new journey together. This has brought a newness of hope and inspiration in the local body.

Just like the Bible, there is just not enough room or pages to talk about all the Lord is doing here in Fayetteville, Arkansas and the wonderful families that have well represented their great state.

I am just truly privileged and overwhelmingly honored to pastor such a special group of people. Just like the rest of the CFM Fellowship here and abroad, the stories of the Bible are truly coming alive as lives are being saved and genuine conversions are taking place.

Continuing on with all that has been instilled into us from Killeen Texas, on up to Chandler Arizona, to its origins of Prescott, Arizona and the Bible itself, we will stay the course and impart into them all that we have been taught until the coming of our Lord and Savior Jesus Christ.

Pray for us as we pray for you. God bless.

**Jacksonville, North Carolina
Potter's House
Pastor Dave Szczepanski
Corres: Nate Brown**

Greetings from the East Coast! It has been a busy summer and we are excited about all that God is doing.

We kicked off last summer with two separate three-day family fun day events with concerts, movies, games and food. These drew great crowds on both occasions as many were anxious to get out of the house and do something.

Many visitors came and heard testimonies of lives changed and we were able to preach the Gospel to a lot of people. These are also a great tool for us to get quality one-on-one evangelism within the community.

Revivals with Evangelists Patrick Johnson, John Robinson, Jerry Fussel, and Peter Ajala brought powerful words and life changing messages to our congregation. Every revival had its purpose and the faith of our congregation was strengthened.

We were involved with the Annual God & Country Rally in Washington D.C. and this is always a powerful time as area churches gather together to preach the Gospel and present accurate recounting of historical times and events that have been instrumental to the blessings of God wrought upon our nation.

God has granted us unbelievable favor so that hundreds can hear the Gospel. Afterwards we were able to worship right there on the steps of the Lincoln Memorial, which has become our custom.

We put on our Haunted House which saw an incredible turnout of over 700 people, with more than 175 souls giving their lives to Jesus!

We followed this up with a Harvest Dinner which allows us to follow-up and fellowship with these new believers.

One of the disciples in our church has a rehab group called Recovery180 that works with people recovering from current or past substance

abuse. This brings in a constant flow of visitors and converts. We are believing God that these precious souls get delivered and we see lasting fruit from this ministry.

We are beginning to see some of these new converts get involved in ministry and also some of our youth begin to catch the vision and step into the fire of ministry.

We are back to sending impact teams out almost weekly to sister churches in the area and we are getting great reports back from these pioneer works. We are also seeing visitors on a weekly basis here at home. God is moving!

What an awesome time it is to be doing what God has called us to do! It is always amazing to see the way God builds and stabilizes his church through the years. We serve an awesome and faithful God!

Continue to pray for us as we take Jacksonville, NC for Jesus!

Las Vegas, Nevada
Potter's House
Pastor Heath Flitcroft

Greetings from Las Vegas, Nevada. We are so excited for what God is doing in our church currently. We have seen an increase of new converts and visitors lately.

We just had an all-day outreach with five churches sending impact teams. In this outreach there were many open doors to the witness of the Gospel, also the ability to pray for healing.

So far there were two healed and 20 saved throughout the day. This is in preparation for our revival with Jeremiah Wacker next week. The church is very expectant for a breakthrough and a great awakening!

In October we did the same thing and had a revival with JW Ballinger. The outreach brought 16 to salvation and the revival was packed with visitors and words given. Also, many healings!

We have also started a Bible study using the foundations of our faith

class. In that we had a lesson on the Holy Spirit, and in the end we had four people filled with the Holy Spirit! It's very exciting when God can use a small group Bible study!

Thank you so much for the prayers as our city is being impacted, we are still praying for you!

Witnessing during all-day outreach in Las Vegas, Nevada

NE San Antonio, TX
Potter's House
Pastor Ben Rodriguez
Corres: Juan Uribe

Greetings to all! From the Northeast Potter's House in San Antonio Texas!

We had our annual Harvester's Homecoming last June with guest speakers Pastor John Gooding and Joe Stephens and also some of our own home grown preachers, as our church celebrated its 30th year an-

niversary!

That led us into the July Prescott Conference in which we were able to announce our sixth baby church, Leonard and Alexis Lopez into Houston, TX. The combo of excitement of conference and church announcement catapulted our church into revival!

We are seeing visitors nearly every service, and people getting saved in our outreaches and concerts! God is on the move!

We also had amazing revivals with Evangelists Jerry Fussell and Steve Bowman. Many timely words of knowledge and wisdom were given to the saints and we saw many healings.

In September we had our Picnic Baptism in which we were joined by some of our baby and grandbaby churches. And together there was about 27 souls water baptized! Our churches are seeing a gradual yet steady growth.

We always rejoice from the testimonies of people who've come from sin and the world to the kingdom of God. While still rejoicing from many of those, we also want to highlight that we're seeing many of our church kids who are now becoming young adults get saved, involved in ministry and even music groups to add to our concert scenes!

We thank God for being part of a Fellowship that's touching the nations and we're looking forward to all that God has for our church this year!

Leonard and Alexis Lopez announced into Houston, Texas

Pittsburgh, Pennsylvania
Potter's House
Pastor Roger Williams

Greetings from the great city of Pittsburgh, PA.

Pittsburgh is a city with a rich industrial history. It's located where three rivers meet, the Allegheny, the Monongahela, and the Ohio river. This drew many people to the area as

Lino Borgos ministers revival in Pittsburgh

they looked to better their lives. After the second World War many immigrants came to Pittsburgh seeking the American dream.

Today Pittsburgh is still drawing people from many different places still in search of a better life. This is proving to be a great harvest field for the Gospel.

Jesus said that He would make us fishers of men, and we have seen a breakthrough in our city. We held an outdoor healing crusade right next to our building. God gave us favor with the owner of the building next door and he allowed us to use his outdoor stage for the crusade.

Pastor Jeff O'Brien preached four Holy Ghost services, and prayed for the sick. There were a number of powerful miracles. A woman had her hearing restored, and another man had his leg grow out. People also got saved and filled with the Holy Ghost.

We thank God for Pastor O'Brien and the Brentwood church. We were

blessed to have an outreach team from our mother church on Cape Cod come and help us labor for the crusade, along with the churches from the surrounding area.

We took the outreach teams to do street preaching. It was a tremendous time. A man got prayed for on the street and saw his leg grow out and back pain leave.

We were holding a final street meeting at an area called Point Park, where the three rivers meet. As one of the men were testifying, a young man rode by on his bike, turned around and came back and listened. I was able to invite him out to church. He gave his life to Jesus and is allowing God to work in his life.

We also had revival services with Pastor Lino Borgos from Kissimmee, Fl. He preached five anointed services. In the final night of the revival the man that owns the building next door to us, that allowed us to use his stage, came to the service and gave his life to Jesus. God is so good!

We thank God for pastor Borgos and his willingness to labor for souls. We have had a number of people walk in off the street into our Sunday morning services and respond to the altar call. Our street evangelism continues to be an exciting and fruitful time, as we hit the streets and preach Jesus to our city.

We continue to have a spirit of expectation looking forward to what God will do next in our city. Please keep us in your prayers.

Rochester, New York
Potter's House
Pastor Keith Sullivan
Corres: Ahnika Stowell

Hello from Rochester, New York! God has really been moving in this city and we are very excited to bring an encouraging report!

This December, we were able to put on a children's Christmas play which

saw a full house and many people exposed to the gospel. The kids did a great job in this effective outreach.

We had the privilege of having Pastor Ernie Toppin do a revival for us and he brought a ministry of healing, words, and encouragement to our congregation. We were able to have Pastor Toppin do a music scene for us in a local restaurant which was a great opportunity and opened doors for us to do concerts in that location again in the future.

We also have had the honor of having Evangelist Richard Valerio preach a revival for us, bringing encouraging words, and miracles to our congregation. Our church has been so honored to have these men of God speak into our lives and we have been taking to heart their wonderful words of encouragement and direction.

God is moving in the Rochester area and we are looking forward to moving into our new building this year. Our church is filled with a spirit of expectancy as we enter into this new chapter of revival.

We would like to express our gratitude to the fellowship for all the prayers that have been poured out for this city. We value Pastor Greg and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting.

Please pray for us here in Rochester as we continue to take the land!

San Antonio, Texas
Potter's House
Pastor Richard Rubi
Corres: Roger Gamboa

Greetings from South Texas where God is moving. This last year has been a testimony of God's faithfulness to His church during turbulent times.

Our Annual Bible Conference theme this year was "Work, Pray, Call." It was a great time of refreshing and challenge. We planted 11 new churches and new international works going into Nicaragua, and Vietnam.

It was an exciting time this last-

month with the first service in our new building. We had many first-time visitors and people answering the altar call.

We also had a Men's Discipleship in our new building, and it was great to see it packed out with men who want to do something for God. We are looking forward to all that God has planned for us in 2022 and in our new place.

Santa Rosa, California
Potter's House
Pastor Marcus Zuidema
Corres: Jeremy Burns

Greetings from Santa Rosa, California!

The past several months have been a push out of the COVID restrictions and into a renewed focus and vision for our city. Thursday night outreaches proved an effective method as we saw many people out in the parks during the warm summer evenings. Fall brought a dynamic that was lacking in the previous year due to restrictions: revivals.

We had four revivals in four months with timely preaching and words of knowledge spoken into lives. These services greatly encour-

Christmas outreach in Santa Rosa, CA

aged and strengthened the congregation, bringing a renewed dynamic of faith and desire for personal growth and fruitfulness in the body.

The highlight of these services was the revival with Pastor Ron Lawhon.

San Antonio church holds services and Men's Discipleship in its new building

Originally slated as a four-day revival, it was extended through the entire week as we saw God moving in each service with healings, words of knowledge, and Holy Ghost preaching.

October featured our annual Halloween outreach which proves to be one of the most fruitful outreaches every year. Geared towards families, a Halloween Festival was setup with games, raffles and, of course, candy. Every raffle was held after an altar call, and we saw people respond to the call for salvation.

During Christmas we took to the streets and local shopping centers setting up a picture booth and offering pictures with Santa Claus and the Grinch. People were given flyers and candy and witnessed to as they waited in line for their picture. This was an effective

tool for evangelism as people young and old came to get their pictures taken.

The theme and push of the church as we begin to gain traction once again has been personal evangelism.

Out of this, the church has seen many visitors and many respond to the call for salvation.

We are excited to see what God will do in this coming year as we power on for Jesus!

Southside San Antonio, Texas
The Door
Pastor Willis Gordon
Corres: Samuel Amador

Hello from the Southside San Antonio, Texas congregation. We continue to have a wonderful time as we witness the amazing things God can do in peoples' lives.

Our congregation is still seeing growth in numbers, with new visitors each service and even backsliders. Some of them have jumped right in trying to get involved any way they can. Doors have been open to the Word of God, and seeds have been planted.

Several invasion teams were able to go into other cities in the last couple of months to help with outreaches. A team was sent to Corpus Christi to assist with an outreach, which saw many people responsive in their city.

One of our bands went to Round Rock at the start of the year to put on a concert. This sparked some encouragement within their congregation.

Most recently, another team invaded Port Lavaca to assist with an outreach as well as a concert for an up-

coming revival. This outreach turned into a mini healing crusade as some people were healed in prayer.

People were open to the Gospel in every one of these invasions. We also continue to put on our own outreaches and concerts, with the very first concert of the year seeing lots of fruit.

I did mention in the last issue that our very own Door directors, Rudy and Jessica Bonilla, were announced to become missionaries being sent to District 9 of Ho Chi Minh City, Vietnam, along with their sons. Now

Souls saved and changed by Jesus in San Antonio

that their third son has arrived, we are gearing up to ship their family out within the next month. They remain anxious to go. The whole congregation is excited and ready to see how God uses the Bonilla family when they get to Vietnam.

God continues to remind our congregation of the wonderful and amazing things He is capable of doing. New people continue to come into almost every service, our congregation is getting fired up and inspired to rise up into ministry, ready and willing to learn. Couples want to be an example by doing God's will, ready for whatever their calling might be. Our congregation has been truly blessed, and all the glory to God.

The year has just begun, so we know that we have not seen anything yet, there is still more to come. Our theme for 2022 is 'BELIEVE.'

We look forward to all of the awesome works God is going to do that will change an unbeliever's mind. Please continue to keep us in your prayers as we keep you in ours.

SW Houston, Texas
Potter's House
Pastor Robert Correa
Corres: Jackey Guidry

Greetings from Sw Houston. We thankful to report the revival that God is bringing to our church.

The congregation has received a fresh wind and hunger for the things of God. Men are rising up with a desire and single focus to preach the Gospel. We started a rotation of disciples preaching men's classes on Sunday morning.

Because of the faithfulness of business owners and pillars, the church is experiencing financial blessing and we have been able to build a surplus of savings toward a new building.

This summer we had two Jesus People Weddings where many people were exposed to the word of God and were bought to a decision.

There have been multiple guest preachers, such as Pastor Campbell and Pastor Gordon. These men faithfully preached the word of God and left a

'Grinch on Trial' Christmas play in SW Houston, TX

lasting impression on the disciples of the church and congregation.

We also had powerful revivals with Pastor Andy Anderson and Joe Stephens. Both gave timely messages and gave words of wisdom that still has an effect on some today.

In October we had our annual Fall Festival in which we rented the mechanical bull that always attracts visitors. We were able to share the Gospel with many

people and planted many seeds.

In December we held our Christmas play called "The Grinch on Trial" which was a great success. Visitors came and a powerful altar call was preached.

In February our church held its first Annual Rally. On the first night we had 253 in attendance and 197 the following morning. Between both days we saw eight souls give their lives to Jesus.

The rally was outstanding, and the congregation left renewed and changed.

We look forward to see what God is going to do in the near future. Please keep the SW Houston church in your prayers as we are launching out our second international work into Honduras very soon.

Uvalde, Texas
Potter's House
Pastor Doug Swimmer
Corres: Mercedes Munoz

Greetings from the Uvalde Pot- ters House! We are so excited to share with our fellowship of what God has done these past few months!

We had a couple who got saved on October 31, 2021 become newlyweds on December 5, 2021. We had a total of 77 people attend their wedding ceremony at the church!

In January, at Globe Harvesters Homecoming, we launched out Elias and Moonbeam Rocha to our very first international church in Ciudad Victoria in the state of Tamaulipas, Mexico. We thank the church of Globe, Arizona for partnering with us to launch this church! We also sent out Frank and Naomi Martinez to launch our third baby church into the city of Carrizo Springs, Texas.

In February, we had Evangelist Steve Nicodemus come for Revival! We had between 55 to 65 people each night! The last night of revival we saw people were hungry and had the desire for the Holy Spirit and fire. We had 16 people get filled with the Holy Spirit and speak in tongues!

Please continue to pray for us as we continue to pray for y'all!

Everett, Washington
Victory Christian Center
Pastor Tony Uriarte
Corres: Osworth Dube

Greetings from Everett, WA! 2021 was just an incredible year of fruitfulness and handfuls on purpose right from the very get go!

Toward the end of August we were grateful to have the Federal Way and West Seattle churches come team up with us and help outreach for an upcoming revival and a Magic Show featuring Jed the Magician (Pastor Jed Matthews from Shoreline, WA). There was such a liberty in speaking to visitors and praying for the sick during this outreach.

At the conclusion of the event

Souls saved during Everett, Washington outreach

we saw 56 first-time visitors with 14 souls won for Christ! A powerful piece of everything was that this was a completely “Disciple-led” Outreach! From the vision, to the organizing, to carrying out of it all!

We also, from this outreach, gained a family, a brother and sister who gave their lives to Jesus that afternoon and have been attending our church to this day.

This Magic Show kicked off our revival services with Pastor Bob Overson. It was a very well attend-

ed revival! We were encouraged and ever stirred to continue to press on and do God’s work in our city. Many individuals received timely words as well! We praise God for that!

In October, we took to the streets on Halloween and decided to dress up in costumes and go “Reverse Trick or Treating” and handed out candy to people while we witnessed and shared Christ with them! Many people were touched.

Then in December, a weekend before Christmas, we took to the sidewalks of our neighborhood Walmart, near the entrance and shared a few Christmas Carols with testimonies in between. We had a great response from all the last minute shoppers we encountered that day!

Our kid’s Sunday school also put on a spectacular Christmas Play this past season. It was a great performance!

This year, In January, we kicked off 2022 with a “No Talent” Talent Show! It was a great time seeing people rise up and showcase God given talent that we plan to utilize throughout this year.

We are blown away with all that God has done! Not to mention the many new people that have been added to our church family! We are so grateful and we are not done yet.

We are contending for an even more fruitful 2022. As our late, great Pastor Wayman Mitchell would declare –“Still taking the land!”

Corvallis, Oregon
Potter’s House
Pastor Sam Rice

Greetings from Corvallis, Oregon! Jesus has been doing so much here that we’ve had our heads and hands full, just following along.

An older couple in our church was inspired by our street corner outreaches, “signs and wonders.” Back in September they went out on their own outreach, waving and smiling and holding signs. A mid-

dle aged man named Darrell saw them, pulled over, walked up and stuck hundreds of dollars’ worth of drugs into their hands saying, “I need to get rid of these and get my heart right with God!” They promptly prayed for him and gave him a flyer for our church here in Corvallis.

On his way back to Beaverton where he lives, Darrell received a message that his mother back in Georgia had died. Grief-stricken, he pulled over at a rest stop, where somehow his wallet was stolen along with the flyer for our church.

Five months later, a young disciple named Nathanael from our baby church in Beaverton was stirred by a powerful Monday evening Men’s Discipleship on personal evangelism preached by John McCarthy.

Tuesday after work Nathanael set out on his own to evangelize in a local park. The very first person he spoke to was this same man, Darrell! Corvallis and Beaverton are about 85 miles apart!

Nathanael prayed for Darrell, handed him a flyer, and it suddenly dawned on Darrell: this is the same church name from the lost flyer. Stunned by the “coincidence,” Darrell attended service Wednesday and answered the altar call for salvation. He hasn’t missed a service since and is being radically transformed by the power of Jesus! Both churches have been stirred by this incredible story and are experiencing a renewed zeal for evangelism.

We’ve held youth rallies with teenagers and young adults from across the state attending, reminiscent of the Jesus People Movement, had great revivals with Peter Ajala, Donnell Butler and JW Ballinger. We have sent impact teams all over the NW. We’re seeing disciples rising to the challenge of leading outreaches and preaching in our services. And, we have been so excited to watch our baby church in Beaverton thriving! We are really hoping to launch another baby church in the near future.

God is doing a new thing here in the Great Northwest!

Worldwide Ministry

Parana Entre Rios, Argentina
Potter's House
Pastor Diego Retamoso

Hello brothers, God bless you, I am Pastor Diego Retamoso, from the church of Paraná Entre Rios, which is in Argentina.

I wanted to tell you what God is doing in our church. A man came to the

church to visit. He was in a wheelchair for eight years, and the doctors had told him that he would never walk again. We prayed for this man and he started walking again! Not only is he walking again but he is also making decisions, having recently decided to be baptized. God transformed his life, and he is so excited that he wants to preach in the streets.

We also had a young deaf mute woman visit. She had not been able to hear since age four. We prayed for her, and she was able to hear again in both ears.

We are seeing the favor of God. We ask you to be praying. God bless you!

Bali, Indonesia
Potter's House
Pastor Brian Roennfeldt

Greetings from Bali, Indonesia. The Potters House Church in Bali, Indonesia has been open since April 2021, and God is now raising up a testimony for His glory here in Bali!

We were launched into Bali by the

Argentine man healed, walks, and then is baptized!

Perth Church out of the conference in March 2020. However due to the COVID crisis it was quite a lengthy process getting here! Despite the restrictions, we have begun to reach out, and see people respond to the Gospel, both on the street and in-house!

A picnic on the beach created an opportunity to preach a simple message to a crowd of 35 people that gathered. The crowd was entirely of Hindu and Muslim background, accurately representing the religious mix on this Indonesian island of four million people. Every single person in the crowd responded to the altar call, and we saw some instant miracle healings! Another outreach at a local orphanage saw a similar number respond. The fields are ripe unto harvest here in Indonesia!

The converts here are keen to get involved. We have started an outreach ministry and a Saturday night scene, which has drawn up to 90 people for a single indoor event, with many responding to the call for salvation.

We now have teams of willing converts going out weekly to parks and beaches, handing out fliers and bringing the Gospel of hope to an island full of people who desperately need it! We see visitors every Saturday night, a crowd gathers, and the Gospel goes forth!

We have services in both English and Indonesian, to reach all those who have ears to hear. Language has been a chal-

Bali, Indonesia congregation

lenge, but we do our best to minister to a very culturally mixed congregation. Praise God!

We know these are early days, and our activities have been limited 'til this point by many restrictions. Travel and social gathering restrictions are just starting to lift, and the true potential of what God wants to do in Bali is to be discovered in the coming season.

It's an awesome privilege to be part of a global movement that is fulfilling the great commission of Jesus Christ!

Warrens, St. Michael, Barbados **The Door** **Pastor Jason Campbell**

Greetings from Barbados! My name is Jason Campbell. With my wife Kerrie, plus our three children, Jeremiah, Alyssia and Ella-mai, we pastor The Door Church in Warrens, which is in the Parish (State) of St Michael in Barbados.

We took over from Pastor Torey and Anastacia Williams, who laid the perfect foundation for 18 months. Though their tenure was short in Barbados, their presence had a huge impact on many lives. They are now assisting Pastor Joe and Connie Campbell in their mother church of Chandler, Arizona.

This is a miracle church. I'm sure many have heard that the church actually started underneath a mango tree on Easter, April 2020, which was in the height of COVID.

I arrived on the island with my family on April 27, 2021 after being sent out of the October 2020 conference from the Waltham Forest, UK Conference. The intention was to pioneer a brand new church on the island but God had other plans. After only being on the island for a few short months, in July Pastor Torey called a meeting and asked us to take over the Warrens church as he was needed back home to assist in his mother church. At first my wife and I were gobsmacked, however we prayed it through and accepted as we felt God. The church was told a week later, then we celebrated its one-year Anniversary in August 2021.

We took over on the September 5,

Friends and Family service in Barbados

2021 and Pastor Torey and Anastacia with their family in tow, went back to the US on September 15.

It was a bit surreal for my wife and I. We came over to start a new church, then within six months we were looking after a core of 15 precious Barbadian saints who loved God. I said to myself, "Jason it's time, don't mess it up, these are God's people that he's entrusted you with!"

I started October with an outreach schedule, continuing from what Pastor Torey had started. I just moved the location to the main town (Bridgetown) and saw five people saved and two precious saints from the church turn up to outreach. We had a big church fellowship in my house and had a special family and friends service all in the month of October. We saw many visitors but only a few became born again.

This was all while COVID was raging. The island-wide restrictions were so that churches were restricted to 25 persons max and curfew at the time was 10 p.m. to 5 a.m., where no one was allowed on the streets.

In the midst of COVID cases of people dying climbing rapidly to three figures and much fear and anger, God was building his church!

In November 2021 I celebrated 30 years of salvation. I also started Wednesday night Bible studies and we had a special remembrance Sunday service, plus celebrated the 1st year anniversary of a very special couple, Anson and Danisha Johnson, who were the first marriage in the church on November 21, 2021.

Barbados celebrated their 55th Independence Day on November 30th, in which the island also became a Republic.

We had a special independence day service on November 28, where I found out about the local foods and saw just how patriotic Barbadians are - they truly love their country!

Lastly, in December we had a Christmas outreach in which we joined with our sister church in Kendal Hill, in the Parish of Christchurch, pastored by Rudy and Brenda Estrada. We had a wonderful time and saw six souls saved on the streets. It was a real blessing to partner together with our sister church, same spirit, same goal, Barbados for Jesus! This was in preparation for a Christmas luncheon service we put on for December 26. We had a great turnout and great food, and two people became born again.

I'm in awe of what God is doing. He has been gracious and has equipped us to handle what He is doing. Please pray for us as we seek for Barbados to become a Christian nation.

Buenos Aires, Argentina **Potter's House** **Pastor Juan Pablo Cardo**

Greetings from Buenos Aires, Argentina. My name is Juan Pablo Cardo and I want to tell you from Argentina that God is moving even in the era of COVID 19.

This year we were able, even with all the setbacks of the pandemic, to plant seven new churches in our nation.

We also had a "virtual" Rally via streaming with Pastor Greg Mitchell and our national conferences were held in our building with an attendance of 700

Seven couples launched from Argentina Conference

people with Pastors Paul Stephens, Richard Rubi and Greg Mitchell through videos, but it was as if they were with us in person. The Holy Spirit moved in an incredible way in words of encouragement for the entire Argentine Fellowship.

We also have the testimony of sisters who were healed from different diseases. One of them from Lupus, a disease that has no cure. Her blood platelets increased in a way that doctors cannot explain.

Another woman had diabetes after COVID that they could not lower even with medication, and after praying for her, she came home took the blood test. It was 95 and before going to church her level was 300! To this day it is at the same levels, it never went up again.

Also a man named Gabriel, who is a painter, fell from the roof of a house and suffered a skull fracture and loss of brain matter. The doctors told his wife that he was brain dead and would surely die in no more than three days. The Church came together to pray and believe God for a miracle. Not only did the man survive, but he is talking, walking and working again. He came to church with his wife Johana and they both accepted Christ and their lives have since been completely transformed.

We had our first marriage seminar after COVID and with 110 couples in attendance, we had a wonderful time of restoration and blessing for all who participated. It was also broadcast online to more than 30 churches in Argentina, and also the countries of Peru and Bolivia participated in the event bearing much fruit.

We had a meeting with 46 pastoring couples with the ministration of Pastor John Maiolo from Prescott, Arizona, a great blessing for Argentina.

I want to thank Pastor Greg Mitchell for his leadership and example for us, my pastor, Pastor Warner for his tireless work and investment in the mission field, and the El Paso Church and Pastor Stephens for continuing to invest year after year in our nation.

**Bontheuwel, Cape Town,
South Africa
Potter's House
Pastor Harold Visser**

We are greeting you all from Cape Town, Southern Africa. God is faithful to deliver His promises as we are seeing God working with us in signs and wonders that follow.

During our local street outreaches in this summer season we have been setting up a mini healing crusade in the local town centre. After testimonies and witnessing we invite the sick to be prayed for. We have seen several people healed from different kinds of illness and pain. One of the highlights of these mini healing crusades was a muslim lady that have been in a wheelchair for 12 years because of arthritis in her legs and arms. Both her arms were locked because of the arthritis and after we prayed for her, she was able to lift up her arms. When her husband saw what happened, he also came for prayer as he had pain from an injury in his leg. We prayed, and he also got healed. Glory to God! During these outreaches we are also training our disciples to preach and pray for the sick on the streets. God has been faithful to honor His word. In January 2022 we had another two night Healing Crusade with Pastor Brandon Pepich. Over the

two nights we saw several young people attend and answer the altar call for salvation. A notable miracle was an older man that could not hear, his wife brought him to the crusade and after we prayed, he answered pastor Pepich that he can hear him! His wife also got gloriously healed from arthritis and this couple is still visiting our church. We are truly grateful for the supernatural dimension of Jesus Christ in the lives of desperate people. We have also been promoting miracles of healing during our midweek services with flyers and a banner; this also is proving to be effective in reach-

Prayer for the sick in Cape Town, South Africa outreach

ing the lost as we see visitors to almost every midweek service joining us to be prayed for. One visitor was an 18 year old girl that was tested positive for HIV when she was only 14. Please continue to pray for us in Bonteheuwel so that we have fruit that remain.

**Chilliwack, B.C., Canada
Potter's House
Pastor Dave Marks
Corres: Irene Broadbent**

Greetings from Chilliwack, B.C. Canada. It's an incredible privilege to serve God in these last days.

Our Canada-wide conference in October 2021 was a huge success. We were so very glad and encouraged to have had an excellent turn

out, not only with our western Canadian churches but many from eastern Canada as well. It is a blessing to have God's presence and the solid preaching of the Gospel to keep us on track and focused on winning our nation for Christ.

We are excited about our works in Russia where people are continually getting saved, particularly many young people. We are partnering with Pastor Golubev's church in Vologda, which has recently planted a new work into Uzbekistan.

On the home front we continue to outreach in our city faithfully, whether holding signs at Five Corners, setting our tent up and distributing water, soft drinks and hot chocolate, or walking around the city handing out flyers and witnessing.

People are hearing the Gospel and receiving prayer with some decisions being made for Christ.

We recently were able to pray with an elderly woman to be set free from alcohol. She then wanted all her alcohol dumped in the bushes. We've had some new people tying in to our church in the last while and one family is excited to come on outreaches regularly. We are still going to street preach in Vancouver every three weeks where we can reach hundreds of people. Pray for Pastor Garrett and Hannah Marks as they serve God there.

In closing we ask you to pray for an awakening to the Gospel in Canada. We thank God for this Fellowship and its leadership.

**Lubumbashi,
Democratic Republic of Congo
Potter's House
Pastor Raphael Tshimanga**

Good day to all our fellow brothers and sisters in the Lord. My name is Raphael with my wife Carine Tshimanga and our three kids Exaucée, Jonathan and Peter, were launched out of Grassy Park, Capetown, announced in Prescott July Conference 2021 into Lubumbashi Democratic Republic of Congo.

We started our first service on the 12th of December and God has been

Prayer during outreach in Lubumbashi, Congo

faithful to us by sending visitors every service.

In February I did my own revival. Prior to this, we had an impact team from two of our Fellowship churches. During our outreach we prayed with 82 people with the help of this invasion team.

We had many visitors from the beginning of the revival. From Thursday night through Sunday evening 18 more people were saved, six people healed and six filled with the Holy Ghost with the evidence of speaking in new tongues.

The same week of the revival, I went with my wife to visit one family and as we got to their house, the wife's suitcase was packed and she had been sleeping in the couch four days prior to our arrival because of tension between her and her husband. The same day we visited was the day that she was going back to her family for good, but God directed our feet, and we were able to speak sense into their lives with the help of God. This marriage is saved and they even came to church together during the revival as a family with their children. They are still coming today, Praise God.

I want to thank my Pastor Brandon and his wife Andrea for their support and the Grassy Park church people for always being there for us. Pastor Greg and Lisa Mitchell for their leadership and their investment in our lives and thank you Prescott for your continuous faithfulness.

**Davao City, Philippines
Victory Chapel
Pastor Frank Buenaventura
Corres: Emma Sotto**

Greetings from Davao City! We just concluded our second Bible Conference for this year on the theme "Ordained Into God's Work." It was challenging with the protocols and restrictions imposed in our city but God moved wonderfully. Although we can only accommodate a maximum of 200 people in the church, we had a great time with our pastors and their wives for the whole week. The rest of the daughter churches joined through Livestream.

We were blessed to have Pastor Mark Aulson, Pastor Chris Aulson and Pastor Alberto Desepida as our guest speakers in video recordings. Uplifting and challenging messages were preached for a greater work ahead in the expansion of God's kingdom. Powerful reports of our pastors every night were overwhelming and so with their testimonies of protection, provision, healing and deliverance from fear were encouraging.

On the most awaited final night, 12 new local churches with five take overs and one international work to East Timor with Pastor Alon and Irish Igot were announced. All glory to God!

God is restoring His church in these trying times. Backsliders are coming back and serving God again. We

Davao City Conference saw 13 new churches launched

see visitors in most services and some have been attending faithfully even on Wednesdays.

New workers have committed to Saturday activities. We have our outreach team in the morning with 20 workers on the average, then our Young Disciples Ministry meets regularly in the afternoon, followed by our corporate prayer in the evening.

The Choir Ministry is back and they have already ministered during the conference. Our online ministries continue in reaching out our Sunday School kids at home and so with our adults in our Bible Study on Fridays with Pastor Tony Tinio.

Thank you Prescott and Tempe for the leadership and inspiration. We are always praying for you. Please keep us also in your prayers as we continue to take Davao for Jesus.

Almost every service ended with the pastor praying for the Holy Spirit. Powerful words and healings also happened.

We are in desperate need to expand our building. And we are praying and trusting God for the finances to soon be able to do this. Please help us in prayer.

Pastors at El Alto, Bolivia rally

El Alto, Bolivia
Potter's House
Pastor William Ortiz

At the end of January we had our annual local rally. We had an all day outreach with a concert at night and all the local churches came to help out. This year we had 141 people saved at the end of the night.

During the three days of our rally we had Pastor Contreras, Pastor Leyva and Pastor Ortiz preach. We had an average of 250 persons for every service. It seemed the focus was the Holy Spirit.

Footscray, Victoria, Australia
Potter's House
Pastor Chris Plummer
Corres: David Avice-Demay

Greetings from Footscray (Victoria, Australia), where God is saving lives and building His church!

The final months of 2021 saw the end of widespread COVID-19 restrictions in our state, and our congregation emerged with renewed vigor and enthusiasm.

In December the church hosted our Annual Bible Conference. Saints from around Victoria, and even New South Wales, were able to gather together once again for a time of refreshing. Powerful

ministry from Pastor Greg Mitchell, Pastor Rob Walsh, Pastor Chris Plummer, and other local pastors once again stirred our hearts for the Great Commission. The congregation was excited to see an international work planted into New Zealand, and another new couple planted into Victoria.

The momentum from the Conference carried straight into the Christmas season. Our annual Christmas Concert, Christmas services, and Sunday School drama productions saw Jesus proclaimed as the reason for the season, and people responded to the call of the Gospel. The church also hosted a New Year's Eve celebration for the wider Melbourne Fellowship, where we ushered in the new year with preaching, prayer and souls saved.

The year 2022 has started with a bang. We are reaching directly into our local communities with our outdoor Summer Saturdays concerts, taking advantage of the window of good weather over the summer season.

Music, games and free food continue to draw crowds, and create a platform for the Gospel to be preached. Disciples in the church continue to rise up and undertake their own concert outreaches. We are seeing two to three outreaches a week which continues to build momentum. Weekly reports of souls saved are an encouragement

to our congregation, and men are catching the vision.

We thank God for all that He is doing in our city.

Kathmandu, Nepal
Potter's House
Pastor Paul Arps

What a wonderful thing it is to be a part of what God is doing here in Kathmandu, Nepal.

In the past few months we have seen an establishing of faithfulness in the hearts of God's people. Through another wave of government restrictions the peo-

Conference in Footscray, Australia

ple in the church have risen up to continue attending services, work with new converts, and join together in prayer. God has brought new families into His church, and others have made the decision to return to church after a long period of time.

few months.

Despite the government pandemic restrictions continuing as the year 2022 started, the Lord our God is a great and faithful God.

We continue to experience His help as we are seeing breakthrough in our church attendance, especially in the

evening.

Our regular street evangelism continues to draw souls to our Lord and Savior. Every Tuesday night and Sunday afternoon, more than 40 people join our outreaches and God always amazes us by what He is doing. There was one instance

our 40th church anniversary, thanking and praising God for all the blessings and the fruitful destiny He is preparing for us in the coming years. In February 11, we had our Couples' Fellowship where 35 couples attended, and many were blessed by the Word of God as they renewed their marriage vows before the Lord.

We glorify God for the breakthroughs that He is giving to our church, and we want to thank everyone for praying for us. God bless our fellowship.

Mar del Plata, Buenos Aires, Argentina
Potter's House
Pastor Mauro Rodriguez

Greetings to all the churches and pastors. During these times in one way or another we have been united in moments of great trials on a world and personal level.

Let us give thanks for our Fellowship and leadership.

In Mar del Plata, young people joined and are faithful. One of them is already playing in praise. God also brought conviction to couples who

made the decision to get married, souls who have returned to the paths, families surrendered themselves to Christ, and in this month they have received the baptism of the Holy Spirit with evidence of

Marriage retreat in Kathmandu, Nepal

One of our highlights every year is our annual Valentine's Day Marriage Banquet shared with our sister church in Lalitpur, Nepal. We look forward to this event as we join together in a fun and formal atmosphere to let God minister into our marriages. This year we had 17 couples sign up, including several visitors, two of which responded to an altar call for salvation.

We thank God for the work He is doing in these precious people's marriages!

Couples launched from Mandaluyong Conference

Mandaluyong, Philippines
Potter's House
Pastor Alberto Desepida
Corres: Gualberto Hernandez

Greetings from Mandaluyong City, Philippine! It is always a great privilege to report what God is doing in our fellowship here for the past

when we had more than 150 decisions for Jesus Christ! Through these outreaches, we are able to connect with many people who are opening their homes for Bible studies and some of them are beginning to come to our church services. Praise God for these precious souls!

Last January 29, during our quarterly water baptism service, 10 people testified how God powerfully changed their lives. The following day, we celebrated

speaking in tongues.

We have received visits from Pastors Dustin, Cespedes, Torres, Ayala, Panopulos, Aranda, and this year we had the visit and preaching of Pastors Pablo Luca and Mauro Rodriguez, Cesar Gonzalez, and our leader Juan Pablo Cardo.

We are preparing for this month's baptism in the sea to date for 17 brothers and sisters.

Thanks to the prayer meetings we

have achieved health and miracles of health in this pandemic on souls with severe health complications. One sister, Virginia Paola Cosco was given hours to live in the hospital and today is healthy.

Brothers without work today have managed to open businesses in which they work very well, others have obtained quality job positions.

We are always grateful for the blessing to our Fellowship of Pastor Greg Mitchell and our beloved Pastor Warner.

Pietermaritzburg, South Africa Potter's House Pastor Mark Green

We would like to report victory here in Pietermaritzburg.

We have just had a great revival with Evangelist Mike Brill. God moved from the first day to the final service on Wednesday night in February 2022. We saw notable miracles like deformed bones being healed, legs grow out, backs healed and deliverance at the altar. At the end we had 37 saved, 29 healed, nine filled with the Holy Ghost, and multiple on-point Words of Knowledge.

We saw a leg grow out almost four centimeters. One man had a deformed bone broken in a fight years ago get healed and straightened out, and an older lady with back problems, pain and stiffness was able to bend and touch her toes without pain. The look on her face was priceless.

The church is encouraged and we are believing God for lasting fruit and impact! We had the time of our lives!

Testimony Stephen Rossouw

My name is Stephen Rossouw. I initially got saved in 2015 at the age of 19. My teenage years were honestly the hardest time in my life as my parents divorced during this time. This was extremely hard on me and affected me badly. As a result, I struggled with depression and contempt for years.

Stephen Rossouw, saved and changed in Pietermaritzburg, SA

One late night during this time, I was looking in our DVD cabinet at home for something to watch and came across various seminars in which the man spoke about Biblical prophecies being fulfilled and about Heaven. It grabbed my heart and I wanted to go to that place that was free from every negative thing that I had experienced up until that point in my life. Suddenly there was hope and light. I wanted to know more about God and have a relationship with Him. This was my heart's desire and I pursued this. I sought God and got saved, baptized in a church.

After a while, I made very bad decisions and choices and ended up backsliding, going back to my old ways and sins in foolishness. I started getting busy with studying and work and my mind was on that. I didn't give thought to my relationship with God until something tragic happened in February 2021.

I had an accident where I was burnt badly and as a result I could not walk or move around for a few days. It was in this time that I started thinking about God and my prayer to Him was literally "God, I Miss you." I couldn't believe how backslid and messed up I had become. I was terrified and not sure if God would forgive me. I didn't know where to start or what to do.

One Saturday night I was on my

knees crying out to God and the thought came "Potters house." I didn't think much about it, but later that night as I couldn't fall asleep, God dealt with me and I knew this is where He wanted me to go. The next morning I went to the Potters House Church in Pietermaritzburg.

The service ministered to me and I lifted my hand at the altar call and repented of my sins. God delivered me from all the guilt and condemnation I felt, all I experienced was His grace and love. I didn't leave the church the same way that I came that day. He restored me and gave me back what I had lost and so much more.

The church has become my family and my life has been filled with the Lord's blessings in various ways. I'm being restored fully by undeserved grace and mercy.

At the Potters House Pietermaritzburg Church, there is a sign outside that reads "Where Jesus is still changing lives." I'm living proof of the truth in that statement.

Plettenberg Bay, South Africa Potter's House Pastor Andrew Isaacs

Greetings from the Plettenberg Bay church, South Africa.

Irrespective of all the COVID-19 restrictions we continued with our outreaches. Visitors have been coming in and giving their lives to Jesus and some have recommitted.

We had a marvelous weekend in Plettenberg Bay in October 2021 with the impact teams of Oudtshoorn, George and Knysna.

Thirty-one people got saved on the outreach. We witnessed several miraculous conversions on the street and were greatly encouraged and built up in our faith!

On Sunday the 10th, Pastor Pietie Saterdag from our mother church preached two powerful sermons for us in the morning and evening. We had a few visitors and one soul got saved and during the evening service we had three commitments. God is

Street outreach in Plettenberg Bay, South Africa

Baptism in Plettenberg Bay

touching people's hearts in Plettenberg Bay.

In November we had a water baptism, and six people took a step of faith and were baptized.

We're still contending for a permanent affordable building.

Keep on praying for us as we minister the word of God to the lost.

Ponce, Puerto Rico
La Puerta
Pastor Hector Rodriguez

Greetings from Ponce, Puerto Rico!

My family and I touched down on the island in August of 2021, and we are already seeing God open doors.

Doctors said this woman's back pain would never leave. After prayer, she was completely healed!

been pain free, and she's been attending our church the past two Sundays since!

In February, we finally received our permit to use the building - and in two weeks instead of the estimated six! God's hand further quickened the process by having the electric company restore power one week later. It was an amazing reminder of how God works according to His timing.

We are ecstatic to see what God is accomplishing in the last few months here, and we cannot wait to reach more of the island for Jesus. Please continue to pray for us as God reclaims La Isla Del Encanto.

Saipan
Victory Chapel
Pastor Erick Marino
Corres: Gol Corpuz

New church in Ponce, Puerto Rico

Almost immediately after we arrived, we received 30 church chairs for free!

Since then, we secured a building in December but could not get electricity without the proper permits.

Even so, we hosted services on Sunday morning and outreached in the nearby plazas.

We've already amassed a few faithful members, and the position of our church in downtown Ponce has many visitors walking by our doors!

Thanks to our location, we come across new souls constantly. In one instance, we were able to pray for a woman with back pain that doctors said would never go away. After laying hands on her, she's

We praise God for what He is doing in our island of Saipan, CNMI. He's always been good to us as we are seeing influx of souls getting saved in both our MVPs and Saturday outreaches in astounding numbers.

In our island's 22nd edition of the day-day Annual Taste of Marianas Food Festival held last August 27-29, 2021, an estimated 17,500 residents and off-islands visitors gathered together to taste different delicacies which were catered to promote tourism.

To us, however it's all about the business of proclaiming the name of

Saipan Church saw 130 souls saved during this Halloween outreach

Baptism in Saipan

a blessing in disguise, as he and his wife were supposed to take over the work in Ko-

Outreach in Brisbane, Australia

not stopped since.

Com rain or shine, we made the Kingdom of God a priority and because of that we've been seeing supernatural breakthroughs es-

Jesus as our 180 bands play and sing evangelistic songs on stage while others go witnessing one-on-one. Not even the pandemic could stop us as we saw God save 264 souls in just one day in that outreach!

We sent our 85 strong Impact Team to Tinian last October 28 for the two-night Halloween outreach to support our newly planted work. Two hundred ninety-seven were in attendance with 130 visitors and 75 souls saved. Our Pastor Marino followed up with a three- night Healing Crusade where 24 souls were saved and 21 bodies healed. A lady was able to run on stage after being prayed for. Only God can do such miracle!

We had also Pastor Marley Buchun preach his farewell service in our Chalan Piao mother church to start a new work in Tanapag village. It was

srae that was held back due to flight and immigration issues. To date we have now, four baby works under our wings – Kosrae, Kagman, Tinian and now Tanapag!

We thank Pastor Jesse and Angel Cluck and the Guam congregation as well as Pastor Greg and Lisa Mitchell and the Prescott church for all their support and prayers. To God be all the glory!

Hi from Brisbane's south side! We're so excited to report on what God has been doing in our church.

This year, our theme for the core disciples was Stay by the Staff. It was disheartening to see how COVID-19 was keeping people away from church and in fear of Government mandated lock-downs and restrictions but we as a church persisted and insisted God was and still is in control.

Where we could, we had revivals in person and online with local evangelists, but our hearts were getting out into the streets with one on one witnessing, at home Bible studies and weekly Tuesday night Prayer Meetings.

In July we had our Mental Health Awareness Concert but it was more than that. We made it a an event, did podcasts, talked to experts did prop and stage design - we invested materially and spiritually and as a result several families and individuals got radically saved, turned their lives around and the momentum has

pecially with our homegrown concerts where we've seen an average of three souls get saved and stay saved.

These new saints are raw and like the woman at the well are bringing their friends who are also getting saved and baptised. People are literally coming off the street after seeing our church sign and getting locked into the things God has for them.

Disciples are stepping up and stepping out into new ministries and making them their own as the shift from sowing to reaping has come. Miracles are just taking place, from free cars to getting jobs, God has opened the windows of heaven and is pouring it out on our church here in Salisbury that we can only attribute to faithfulness.

Don't stop praying, the tough times are only going to get worse so our faith only needs to get stronger.

Game day outreach in Athens, Georgia

**Tokoza, South Africa
Potter's House
Pastor Lubabalo Qotoyi**

Greetings from The Potter's House Christian Church Tokoza!

God is doing great work in Tokoza. I would like to give God praise for all that He has done for us in 2021 and we believe God for more in year 2022. God is helping us in Thokoza as we are taking the land for Jesus.

While some people were concerned about the COVID virus, lockdowns and restrictions in Tokoza, we continued to preach the Gospel of Jesus Christ. We continued to declare that Jesus is the Only Hope for the world.

In the midst of the COVID 19 pandemic God continued to bless us in Tokoza with financial resources. Our resources as the church and individuals never ran dry, and we thank God for his faithfulness.

On September we had our 2021 annual Bible conference in Eldorado Park church. God helped us, and it came at the time of need. During 2021 Bible conference we planted our first baby church from Tokoza. The couple got saved, discipled and got married in Tokoza church. They got saved when they were still attending

school and they served God in Tokoza church faithfully and they have been a blessing to our church. God has blessed them with a building located on the northern part of Tokoza on a busy area. They started with their services in February and we believe God for them as they advance the kingdom of God.

We had revival with my Pastor Shawn Stellenberg early October 2021 and God helped us with timely word to build his church. People gave their lives to Jesus and two teenagers who gave their lives to Jesus during this revival are still in church today and they have been water baptized.

In November 2021 we had revival with Pastor Isaac Mathebula, God helped us through and people gave their lives to Jesus and from that revival six people were filled with the Holy Spirit and all of them are still in church today.

In January 2022 we started the year at a high note with Evangelist Michael Brill from Eldorado Park. Evangelist Brill preached the Gospel and God confirmed his word with signs and wonders. God gave us timely words, and the gifts of the word of knowledge and word of wisdom were demonstrated during this revival.

Number of people gave their lives to Jesus. During the services with evangelist Brill seven people got filled with the Holy Spirit and they

are still in church. Many people got healed during this revival. Evangelist Brill preached the word of God with authority and dominion and he challenged the church to believe God and walk in dominion. We thank God for all the preachers who came to minister in Tokoza. We believe God for our land; Tokoza will never be the same.

We believe God for fruitful 2022 as we continue to advance the kingdom of God in the land of Tokoza and surrounding areas.

Many thanks to my Pastor Shawn Stellenberg for all his help and support. I would like to thank Pastor Heimberg for his leadership in Southern Africa. Thank you for all your prayers.

As we edge closer to the two year mark in a global pandemic. It's very easy to look back at how much life has changed; distancing, lockdowns, border closures. The list is endless. On the other hand, I cannot help but to reflect, in awe of what God has done. One of the greatest joys after returning from various lockdowns, was to see new faces in the church; new souls added to the kingdom.

Our 2020 UK Bible Conference had various restrictions in place and was held at a much smaller capacity. However in 2021, we returned to full capacity and held an amazing Bible Conference, themed: Calling the Congregations.

We had a line-up of guest speakers including Pastor Joe Campbell and Pastor Greg Mitchell, each one with timely, tailored messages for the conference body.

When thinking of the title of our conference, the word that stands out is "Calling." Three couples answered the call to become missionaries in various countries in Europe: Jesus and Lola Palomo to Seville, Spain; Mo and Elizabeth Timbo to Paris, France and Antonio and Jade DaSilva to Lis-

New churches launched from Waltham Forest, UK

bala church for the support.

We also had Cross Fire youth in November and it impacted various youths in our township.

In November, we hosted a rap battle, a free flow mini musical event dubbed “Open Mic,” which saw many youths engage in a rap competition. The main objective was not to crown a winner but to have youths impacted for Jesus, and they were – we had 19 youths who gave their lives to Jesus.

The women of our church continue to be busy for the sake of the Gospel. They made follow up visits to encourage their fellow sisters who have never been to church after the COVID shutdown was lifted.

bon, Portugal. We are truly excited for what God will do in these nations and the fruit that will come from the labours. We were also happy to launch eight new works within the UK.

Entering into 2022, we re-launched our concert scene, holding concerts fortnightly in a new venue local to the church building. We have seen new ministers rise up and it has been great watching them step out in boldness to do a work in God’s kingdom. Every week we have had visitors come out to our concerts with some giving their life to Christ.

What God has started in Waltham Forest this year has been a joy to witness and be a part of. We believe God is going to continue what he has started as we position ourselves for a last days revival. We thank you for your prayers. God bless.

Street outreach in Chilenji, Zambia

Baptism in Zambia church

From the fruits of all these outreach programs for this period, we had the opportunity to baptize nine new converts.

Also in November we had our annual youth tournament and our guest preacher was Pastor Victor Nasho Phiri. Besides having many souls saved, many young people were inspired by the preaching and testimonies.

During the second week of December, Pastor George Karabassis will be hosting the annual Central African Bible Conference themed “Understanding the times - what Israel ought to do.”

We thank Pastor Greg Mitchell and the Prescott church for the leadership and vision. Pray for us as we do likewise!

**Lusaka, Zambia
Potter’s House
Pastor George Karabassis

Greetings from Zambia. God has been gracious to us.

In the last quarter of the year 2021, our Outreach Director Gershom Tembo led the outreach team to various areas.

In October, we had our Club 180 and we saw nine souls who gave their lives to Jesus. We also had a number of outreach programs in the follow-

ing locations; in Matero (two souls saved), and in Chilenje (two saved).

Pastor Victor Nasho Phiri from our baby church in Matero was very appreciative for the gesture and echoed the following: “We had two people saved during the night of the outreach. We also had a number of youths rising up to get involved. Thanks to the Li-
